

EMPLOYMENT VERIFICATION INFORMATION *for American Medical Response*

We have recently received a request from your organization for employment and income verification for an American Medical Response employee. Our organization uses InVerify, an HR service partner, to provide secure online access to employment and income information.

NEXT STEPS:

- 1.** Go to www.inverify.net
- 2.** Register to create a user account and get instant online verification reports

For additional assistance:

Contact our customer support team: (866) 295-7363

TYPES OF REPORTS AVAILABLE:

1 – Employment Verification

Step 1: Log in to www.inverify.net

Step 2: Provide the following:

- **American Medical Response** Company Code: **110401**
- Employee's Social Security Number (must obtain from employee directly)

2 – Employment & Income Verification

Step 1: Log in to www.inverify.net

Step 2: Provide the following:

- **American Medical Response** Company Code: **110401**
- Employee's Social Security Number (must obtain from employee directly)
- Income Key (must obtain from employee directly)

3 – Employment & Income Verification with Salary History

Follow same steps as #2 - Employment & Income Verification

Note To Verifiers: Registration is a one-time process and takes just a few minutes online. For Commercial users, all verifications must be obtained from the secure website.
